LADIES HOSE

We have placed on sale THIS WEEK a line of Ladies Fast Black Hermsdorf dyed hose, received direct from the factory in Germany (thus avoiding the American duty) which we are offering at the very low price of 6 pairs for \$1.00. Now this is an opportunity not often offered for ladies to supply themselves with a good staple article of everyday use at such a very low price. We do not claim them to be the best, but a good strong article of absolutely fast dye.

In addition to the above we have our usual complete line of Ladies', Gents', Misses' and Children's HOSIERY, which have their own established reputations.

We have just received a small choice line of **Genuine Scotch Zephyrs**. Now we do not advertise these as cheap goods, at all, but just the kind a lady would select to make a gown of that she wanted to look stylish in, but that would stand the kind of laundrying it would receive here.

A small and carefully selected lot of printed, pure IRISH LINEN LAWNS in neat and modest designs and colorings 12 yds. lengths which we are offering at just about half the price that they will have to be sold for when imported under the American tariff laws.

Of course all ladies know of the great durability of Irish linen and its delightful coolness, and here, where we use wash goods the year around, it pays to buy a good article that one can feel justified in expending the time and money necessary in making up in a manner that one would not on a cheap article that one would have to cast aside after the first laundering. For trimming these same goods we have a very complete assortment to choose from of embroideries of all kinds, lambric, nansook and Swiss, edgings, insertions and all others, and all faces of every description, these all imported by us direct from Europe in bond.

JUST RECEIVED direct from the factories at Troy, N. Y., a splendid line of GENT'S SHIRTS, in dress, colored and negligee.

In buying these shirts we have exercised the greatest care, first as to their fit and correctness of style and in case of the colored ones, in the very exacting manner of our examination in regards to their fastness of color, we doing our best to satisfy ourselves that we were getting nothing but absolutely fast colors in these shirts, and hope we have succeeded.

Call and see them and the line of GENT'S FURNISHINGS AND UNDERWEAR we carry. To housekeepers who might require them in a hurry, we wish to state that we have in stock a complete line of SHEETS AND PILLOW CASES, ready made, in all sizes and qualities and at prices we believe will be found satisfactory.
